Did you know?

eLearning material

The eLearning material will be made available to you on the Learning Management System (LMS) based on the four-quadrant approach, as per UGC (Credit Framework for online learning courses through SWAYAM) Regulations, 2016. It includes a combination of the following eLearning content, namely:

Video lectures

eText materials

Virtual classroom

Interactive material

Virtual simulation

Discussion forums

Evaluation

The assessment system has been conceived, developed, and administered on a rigorous and fair basis to bring out the best in you and prepare you for a challenging career.

Your performance evaluation will be based on both continuous evaluation and term-end examinations.

Examination

The university semester-end examinations will be held digitally viz. computer-based and online proctored. You can appear for the exams from the comfort and safety of your homes. A laptop or desktop computer with a functioning webcam connected to the Internet is required to appear for the exams. The details of the examination schedule will be made available in the photo admit card issued for appearing for the term end theory examinations. The university will share all examination details via the student portal.

Right to amend rules

The university reserves the right to add / delete / change / amend the syllabi, program structure, rules and regulations wherever considered necessary and appropriate without any prior notice. You are advised to go through the website frequently where all circulars and important information will be hosted from time to time. Promulgation of any such information on the website in the form of circulars / notices is considered to be adequate.

Theory papers

The theory part is assessed by performance based on continuous assessment (CA) through assignments and termend examinations (TEE). The assessment ratio for (TEE) to CA is 70:30. The CA is based on assignments prepared by the University. TEE will comprise descriptive and multiple-choice type questions. You must score at least 40% in both CA and TEE to be declared as pass.

Results

The results will be published on the student portal. If you fail to clear any of the papers (either in TEE or CA or both), you have to re appear for the relevant paper by applying to the university through the resitting application along with relevant fees, within the due date.

Jurisdiction

All disputes relating to university program and activities are subject to local jurisdiction (Rajasthan) only.

Practical papers (as applicable)

The assessment for the practical part is based on the performance in guided exercises (i.e. day-to-day exercises) and unguided exercises which will be conducted on the last day of the practical sessions in each subject with an external examiner. The assessment ratio for TEE to CA is 30:70. You must score at least 40% in both the parts to be declared as pass.

Awards and degree

Successful students, on satisfying all criteria stipulated by the university, will be awarded the respective degrees by the university.

Testimonials

Revathi Murugan, online MBA

After taking a career break for over a year, I wanted to upskill myself to explore better job opportunities. I'm glad I chose to pursue my online MBA through Online Manipal, as the degree is equivalent to an on-campus degree. Flexible classes have allowed me to manage my work and academics.

Madona Khanna, online BCA

With the online degree program from MUJ, attending online classes and lectures on weekends has made it easier to manage my work and other household responsibilities along with my studies. I was able to pursue my dream online BCA degree through Manipal University Jaipur's scholarship.

Rohan Kaywal, online BBA

I wanted to specialize in marketing and explore a career path in this domain. So, I decided to start by pursuing an online BBA to build my foundation in business administration. As a working professional, an online degree was the best choice for me. The faculty at MUJ are experienced and guide us well through the program.

Romila, online MAJMC

Working in the education sector & social development sector for 5-6 years, I came across a tribal village in Telangana and I really wanted to capture their stories. But I didn't have the right skills, attitude and mindset to capture them. MUJ is empowering me with an online MA JMC degree and I'm able to leverage maximum out of this platform.

Dhananjay, online MCA

Working with a tech giant for a few years, I needed to pursue a master's degree to get a promotion and advance in my career. I decided to pursue an online MCA degree because I didn't want to quit my job. Moreover, the online proctored examinations were helpful as we didn't have to physically visit a center to write our examinations.

Deepak Kumar, online BCOM

With 6-7 years of work experience in supply chain, I wanted to get an online UG degree without quitting my job. Through Online Manipal's flexible learning opportunities, I'm able to manage work and academic. The content on the student portal is good and the live classes are insightful.

Devendar Gundeti, online MCOM

I'm very happy with the experience at Online Manipal, since the program is delivered completely in online mode without any hassle. I'm able to access the recorded classes when I miss live sessions. As a working professional, I'm able to maintain work-life balance.
